DIVES

Dive Gizo with James from Adreno and enjoy the excellent and varied diving, including healthy & vibrant coral reefs covered with colourful reef fish, impressive wall dives, and lots of opportunities to see rays and sharks. In addition you can dive the World War II wrecks, including a number of planes, and the famous Japanese shipwreck The Toa Maru. She lays on her side in 30m of water, and contains numerous artefacts to discover such as gas masks, saké bottles, motor bikes and even an army tank.
